Program:

Past Presidents Luncheon

Bob Douglas led the forum and invited each of the Past Presidents, starting with Herb Nelson, to report to the Club on their highlighted memory of the years they were Rotary President. The Club was well represented and each of our Past Presidents shared their information with enthusiasm and it was apparent the degree of contribution that each had made toward Red Bluff Rotary in becoming the great Club that it is. It was interesting to listen to Club Presidents highlight the year by year development of the Cone & Kimball Clock Tower, from the original purchase of the property to the final cap being placed on the Tower during Dennis Garton's year.

The Past Presidents Luncheon is held in appreciation of the service that individual Rotarians are willing to make for their Club.

In addition, several members of our Club were honored as Past Presidents from other Clubs.
