**Two Minute Drill:**

**Christina Stanley**—was born in Southern California to Rosann and Seymour Yochelson the youngest of five children. When eight years old Christina moved to Salem, Oregon. She began working at the age of 15 at the local A&W restaurant and did not go to college—working since in the hospitality or sales industry. At 18 Christina moved to Phoenix. In June, 2004, she met her husband, Curt, in the Portland airport. It was love at first sight and less than four months later they were on their way to Tulalake, California. It was then that Christina learned Curt was an avid hunter. They were married in May of 2005 and now go on hunting trips together...it is a good time to catch up on her reading! It was in 2009, Christina wanted to move...being an independent insurance agent allowed her to work anywhere so it was up to Curt to find a new position with the Forrest Service. He had detailed into his position in Paskenta with the Forrest Service the year before and the opportunity for a permanent position as Battalion Captain became available. He accepted the position in 2008 and they moved to their new home in Red Bluff where if she had anything to say in the matter they will live for the rest of their lives!!
